BRILLIANTA CALANDRÉ

NATURAL FINISH

Gebaseerd op de kwaliteit Brillianta ontstaat door een extra kalandering een nog gladder en glanzender linnen. Daardoor is Brillianta Calandr  zeer geschikt voor kleine, fijne opdrukken.

Based on the Brillianta grade, extra calendering produces a smoother cloth with extra sheen. This makes Brillianta Calandr  extremely suitable for small, fine print.

Ein zus tzlicher Kalandriervorgang verleiht der Leinenqualit t Brillianta mehr Gl tte und Glanz. Dadurch verf gt Brillianta Calandr   ber hervorragende Pr ge- und Druckeigenschaften.
